

## Dr. Burgess Weekly Video Address June 8, 2012

# “Town Halls”

---

Hello, this is your Congressman, Michael Burgess. Each week, these video messages are one of the ways we stay in touch. And regularly, many of you have offered your ideas as a result of subjects covered in these weekly messages. Next week, we will have the opportunity to visit together in Town Hall meetings I’m hosting in North Texas.

I’ve arranged two locations on two separate evenings. One town hall is in Denton at the Center for the Visual Arts next Wednesday evening, at 7 o’clock. The next evening, the town hall meeting is in Flower Mound – that’s Thursday, also at 7 p.m. at the Trietsch Memorial United Methodist Church.

We will talk about matters that concern you in the Congress. But also, I am interested to hear about the issues that are important to you, important to your family, and to our community. I look forward to meeting you and hearing your views.

I ask you to please join me on Wednesday, June 13 in Denton at the Center for the Visual Arts – or – Thursday, June 14 in Flower Mound at the Trietsch Memorial United Methodist Church. Both town halls begin at 7 p.m. in the evening.

If you need special accommodation at either place, my website at [burgess.house.gov](http://burgess.house.gov) has a town hall banner you can select to get a phone number and email contact. If you’re unable to attend, I hope you will look for other ways to stay in touch. I plan a telephone Town Hall conference later this month and one next month. I’m on Facebook and Twitter, as well. And most weekends, I’m back in North Texas and you’re likely to see me there.

Thank you for taking the time to listen. Directions to the Denton and the Flower Mound town halls are on my website, [burgess.house.gov](http://burgess.house.gov). May God bless you and your family, and as always, may God bless Texas.
