# Energy Efficiency & Conservation Summit & Fair

Local leaders and industry experts will highlight steps North Texans can take to become more energy efficient while saving on their energy costs.

Saturday, July 9 • 8:30 am - 12:15 pm

University of North Texas • **Discovery Park**

3940 North Elm • Denton, TX 76207

*(approximately 5 miles north of UNT's main campus on the southeast corner of Loop 288 and North Elm St.)*

**R. James Woolsey Jr., Former CIA Director**

The summit will feature two panels, the first panel focusing on ways to save energy in design and construction of buildings and houses, and the second panel will discuss energy efficiency and conservation for mobility. Former CIA Director R. James Woolsey Jr. will address participants via teleconference on “Energy Policy and U.S. Security”. The summit will also feature a fair with booths providing energy-related information and resources.

**FREE & OPEN to the PUBLIC!**
