

## Dr. Burgess Weekly Video Address September 8, 2012

### “We Will Never Forget”

---

Hello, this is your Congressman, Michael Burgess. This coming Tuesday will mark the 11th anniversary of the attacks on September 11. We remember the 2,977 Americans who perished because of the attacks and the thousands of brave men and women who have been killed in action fighting in Iraq and Afghanistan.

As we reflect on the anniversary of September 11, we should all feel pride in our country's efforts since that day, which have paved the way across the globe for democracy and freedom for those who otherwise would have never known the blessings of liberty.

Over the next several minutes the names of those who lost their lives during the attacks will move across the screen. These mothers, fathers, grandparents, sisters, brothers and sons, and daughters will never be forgotten and we honor their lives and continue to pray for their families and loved ones.
