Dear Mr. McCutcheon,

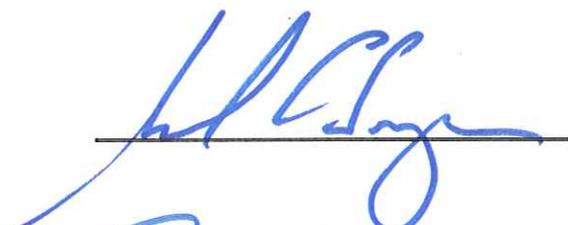

On behalf of the North Texas Delegation in the U.S. House of Representatives, we encourage you to strongly consider Frisco, Texas as the location for the NCAA Division I Football Championships for 2010-11, 2011-12, and 2012-13. Frisco is a thriving community in North Texas that offers excellent sports venues, a variety of activities for fans and athletes, and an entire Dallas-Fort Worth Metroplex of sports enthusiasts to enjoy the Championship game.

Frisco is one of the fastest growing cities in the nation, features a vibrant business community, and has engaged city leadership who will help support this event. The location that Frisco is recommending for these Championship games is the 20,500-seat Pizza Hut Park, the home of the Major League Soccer's FC Dallas franchise. As you may know, Pizza Hut Park hosted the 2008 NCAA men's College Cup soccer championships. This facility has already demonstrated that it can successfully host a championship caliber event for the NCAA.

Frisco is conveniently located 25 minutes from both Dallas-Fort Worth International Airport and Dallas Love Field Airport, with easy highway access into the city. We believe this region will provide an excellent venue for this important championship game.

We look forward to welcoming the NCAA to Texas in 2010-11, 2011-12 and 2012-13 and hope to show you first-hand what Texas hospitality is all about.

Sincerely,

Pete Sesse
