

## The Fate of Physician Owned Hospitals and Practices

### Texas Heath Presbyterian Hospital Flower Mound

**Dr. David May** is Board Certified in Internal Medicine, Cardiovascular Diseases, Interventional Cardiology and Critical Care Medicine. He is a Fellow of the College of Physicians, the American College of Cardiology and the Society of Coronary Angiography and Intervention.

Dr. May has served as the president of the medical staff at both the Medical Center of Lewisville and Trinity Medical Center. In addition, he has served on the board of directors of the Texas Society of Internal Medicine, the Denton County Medical Society, the Lewisville Chapter of the American Heart Association, and the Board of Trustees at the Medical Center of Lewisville. He is currently on the governing board of the Texas Chapter of the American College of Cardiology.

Dr. May completed his undergraduate training at the University of Louisville and, in 1980, received his medical degree Summa Cum Laude from the University of Louisville School of Medicine

**Bobby Hillert** serves as executive director of Texas Physician Hospitals Advocacy Center, a collaboration of Texas physician hospitals that promotes safety, quality, and innovation.

From 2001-2008, Mr. Hillert served as healthcare aide to Rep. Pete Sessions (R-Dallas). He is currently the principal of Congress Avenue Bridge Strategies, a small firm that focuses on healthcare at the state and federal level. He also serves as the executive director of the Texas ASC Society.

Mr. Hillert attended Southern Methodist University and received his degree in economics and history.
