

Dr. Burgess Weekly Video Address November 8, 2013
“Honoring Our Veterans”

Hello, this is your congressman, Michael Burgess. With Veterans’ Day just around the corner, it’s appropriate to recognize the loyalty, commitment, and selflessness constantly shown by our nation’s veterans. This Monday, November 11th, we reflect back and remember the many veterans who have worn the uniform to fight for and protect our great nation.

It’s important to never forget the freedoms that we’ve obtained through our devoted veterans and the honorable sacrifice that they made putting our lives ahead of their own. Our nation is truly blessed to have such fine men and women to answer the call of duty.

To help provide better health care coverage for our veterans, I introduced the Veterans Health Care Stamp Act last Wednesday. With this legislation, we can join together through the purchase of a stamp to give back to those who have given us so much.

We have over a million and a half veterans living in the state of Texas. Today, I ask you to join me, the residents of Texas’ 26th Congressional District, and all Americans, in thanking our veterans and their families for their service to the United States of America, and honoring their devotion to God and country. Thank you for your service.

Thank you for taking the time to listen. For more information about this issue and other issues before the United States Congress, please visit my website at burgess.house.gov. May God bless you and your family, may God bless our Texas veterans, and as always, may God bless Texas.
